Sustainable Operations Technician 1

Interested in being part of a greener, more sustainable future? You're in the right place. ZeroHero, a full service waste and recycling organization for events and incidents, is looking for a Sustainable Operations Technician (1) to join our team of passionate individuals striving for positive environmental change.

As the Sustainable Operations Technician (1), you will have the opportunity to exhibit your passion for the waste diversion while providing excellent customer service and executing detailed cleaning operations for ZeroHero's national events and incident response services.

Essential Job Functions:

- Ability to work well with others, connect with people of all backgrounds, and provide superior customer care
- Perform thorough cleaning operations at large scale events and/or incident response
- Effectively manage your time to competently understand and execute tasks
- Assist in onsite efforts as identified and assigned by project managers and/or project leads
- Demonstrate team-oriented attitude to collaborate with crew and management
- Have a passion for the environment, sustainability, and waste diversion that can be exemplified in your work with ZeroHero

Qualifications:

- 18+ years of age
- Minimal field experience
- Ability to work cross-functionally with people of diverse background
- Ability to multitask, prioritize, and manage time effectively
- Strong ability to collaborate and engage in cooperative work
- Ability to travel to events across the country
- Valid driver's license to maintain company equipment and vehicles, with the possibility of driving equipment to and from events

Join us in our mission in waste management reduction and be a part of something bigger. Apply now to be our ZeroHero Sustainable Operations Technician (1).
